Stormy WEATHER

A bit of rain, a bit of shine for Stormy Daniels

IT'S been an upsy-downsy couple of weeks for Stormy Daniels, the porn star Donald Trump STILL reckons he never rooted.

On the upside, the 39-year-old mattress actress topped the list of most searched stars on Pornhub, which is the bible when it comes to this sort of thing.

She came out of nowhere to head the list, beating out much younger superstars such as Riley Reid, Mia Malkova, Nicole Aniston and Alexis Texas.

Good for her. Go, Stormy go!

On the other, much shittier, hand, she's been hit with a bill for around A$400,000 for Donald Trump's legal fees he incurred in her defamation case against him.

Which should keep the The Don in fake tan for about a week.

So, if ya wanna help Stormy out, buy some of her porn. Your todger will thank you. ■ Picture

Dream

Elle sprouts tits, conquers world

THE story of big-boobed newcomer Elle Faye is an uplifting one of joy and hope that will bring inspiration to the whole world.

Especially those of us who love TITS.

The aspiring Pommy model was suffering through her sad, empty, NORKLESS teenage years when something MIRACULOUS happened.

"I had no boobs. I was like a rake!" Elle, now 25, wails.

"Then I wished upon a shooting star and they just grew out of nowhere. And now if I put on weight it goes straight to my boobs or bum."

Isn't that a lovely story? Excuse us while we sniff back a tear of happiness, readers.

So, now equipped with a

ms

NO PLASTIC, JUST FANTASTIC!

HUMUNGOUS set of H-cup **hooters, it's only log**ical that Elle decide to share them with the world through the wonder of NORKS-OUT MODELLING.

She kicked off her career in mid-2018 and she reckons so far it's going really well.

"I've had so many people message me saying 'We always knew you were gunna be in the papers one day'," says the TOP HEAVY tearaway.

"The overall reaction was good. I feel quite happy and it's encouraged me to carry on with modelling."

Hooray! We love a happy ending. Erm... you know what we mean. ■ **Picture**

NEWS FLASH

THIS SHIT REALLY HAPPENED!

50KG BARKER!

YOU know your dog is a really FAT CUNT when he can't fit in its own kennel. That's what happened when this Border Collie, a long-term guest at the Gables Farm Dogs and Cats Home in Plymouth, England, hit the 50kg mark. Fuck knows what they were feeding him – DEEP FRIED CAT, probably – but he got so fat they re-named him Big Bopper the Whopper, and put him up for the title of Fattest Dog In Britain.

ONE FOR THE ROAD

YEAH, it's sad when a beer truck tips over, spilling its load. Boo-fucken-hoo. Pass the fucken tissues. On the other hand, if you were in the vicinity of General Cañas Highway, San Jose, Costa Rica, recently, you would've been OVER-FUCKEN-JOYED to find free slabs and loose longnecks all over the road, ready to be souvenired and SLURPED. It all happened near the capital city's Juan Santamaría Airport. Pray that someday it happens near you.

LEGGIN' IT!

IT'S a great life in the US Air Force. You get to fang around on yoooj C-130 Hercules planes as they hoot about spectacular joints, in this case the valleys of Wales, and hang your legs out the back to get a nice breeze up the legs of your cammos. This pair were doing just that as the pilot completed an air-wheelie at around 600kph and 80 metres off the ground over the Snowdonia National Park, North Wales, where they were involved in training manoeuvres with the RAF.

NUNS HAVIN' FUN

TWO Seppo nuns have been busted for nicking about A$690,000 from a Catholic school and blowing it in casinos in Las Vegas. Sister Mary Margaret Kreuper, the principal at St. James Catholic School in Torrance, California, and Sister Lana Chang knocked off the dosh over 10 years, then whooped it up in Vegas. But the church is not gunna sue 'em, presumably because they reckon god will fuck 'em up in the afterlife.

DON'T WORRY, THE BEER'S ALRIGHT!

VICCO bloke Daniel Tuohey has become a hero to millions, and not just for fighting off a big bastard 'roo that was attacking his dogs near Bendigo. No, what REALLY captured people's imagination in the footage of the incident, taken by his daughter and subsequently posted to social media, was that he managed to hold onto his beer through the whole scuffle, despite being belted to the ground and being left with some nasty cuts and bruises. That took some doing.

GET THAT UP YA!

DISGRUNTLED hero Ted Pelkey thought up a great way to tell his local council to GET FUCKEN FUCKED for denying him permission to build a garage on his property in Westford, Vermont, USA. He ERECTED (heh, heh) a YOOOJ wooden finger on a pole five metres in the air in his front yard, added some floodlights so it can be seen at night, then settled back to bask in his own genius. After waiting 10 years for his plans to be passed by council Ted had the shits, and this was his reply.

Smoo OF A KIND!

Whitney and Britney are as inseparable as Bob Hawke and cold beers

SOME sisters are so close they can know what the other is thinking, get married on the same day or even share each other's KNICKERS. But porn stars Whitney and Britney Stevens take it a step further by sharing the SAME BLOKES.

"We do everything together," laughed Whitney. "So why wouldn't we share guys?"

Happily, it's not just porn star actors who they play CROTCH SOCCER with. Occasionally, they pick up a fella when they are out clubbing.

"You'd be surprised by how many guys have the fantasy of sleeping with two sisters," said Whitney.

No we wouldn't. How often do youse get asked?

Whitney: "All the time. We only take one home very rarely."

How do we get on that short list?

Whitney: "You've gotta be special. And you've gotta be somebody we're attracted to."

Britney: "We like manly men who are very sexy and mysterious."

Would you ever think about rooting two brothers – say Mark and Steve Waugh?

Whitney: "We don't know who they are."

Britney: "But we would consider brothers if they were cute."

What about other sisters?

Whitney: "Let's just say we'd consider it."

Britney: "Yeah, some girls are really hot. If they bring a few drinks, who knows what might happen."

Hey, save a few beers for us! Picture

WHITNEY
BRITNEY

IT'S A MILF-QU

Age hasn't wearied these MILFS – it's only made them even more rootable!

AGE: 44

Penelope Cruz

Her hubby and the father of her two kids is Javier Bardem, who played the psycho assassin in *No Country For Old Men*. We know it was only acting, but we'll leave her well alone, thanks. Next!

AKE!

AGE: 52 Cindy Crawford

She's the supermodel's supermodel and mum to a couple of grown-up kids. So she doesn't have to do the school run anymore, but we'd love to see her down the tuckshop making sausso sandwiches.

AGE: 46 Sofia Vergara

Colombia's most successful export – well, after their popular nasal refreshments – Sofia is currently the highest paid actress in TV. It's a pity she's married with one kid, 'cos she'd make a great SUGAR MUMMA.

AGE: 40 Kendra Lust

Since ditching the scrubs, former nurse Kendra has caused such PANT-SPLITTING erections around the world that for the past three years fans have voted her as the Hottest MILF at the AVN awards.

AGED TO PERFECTION!

AGE: 56

Demi Moore

Demi was a MILF before there was even such a thing. Her toyboy Ashton Kutcher was 15 years younger than her. And her oldest daughter Rumer Willis is 30 – close to MILF age herself!

AGE: 37

Britney Spears

OK, she went wonky for a bit, but once she ditched the drugs and her hair grew back, Brit matured into quite a MILF. If she can fake orgasms as well as she can fake singing, she'd be a cracker in the sack!

AGE: 37

Jessica Alba

Yeah, we know – it's hard to believe the *Fantastic Four* star is all growed up now and the mother of three kids. Where did the time go? The amazing thing is, she's just as stiffy-inducing as ever.

AGE: 32

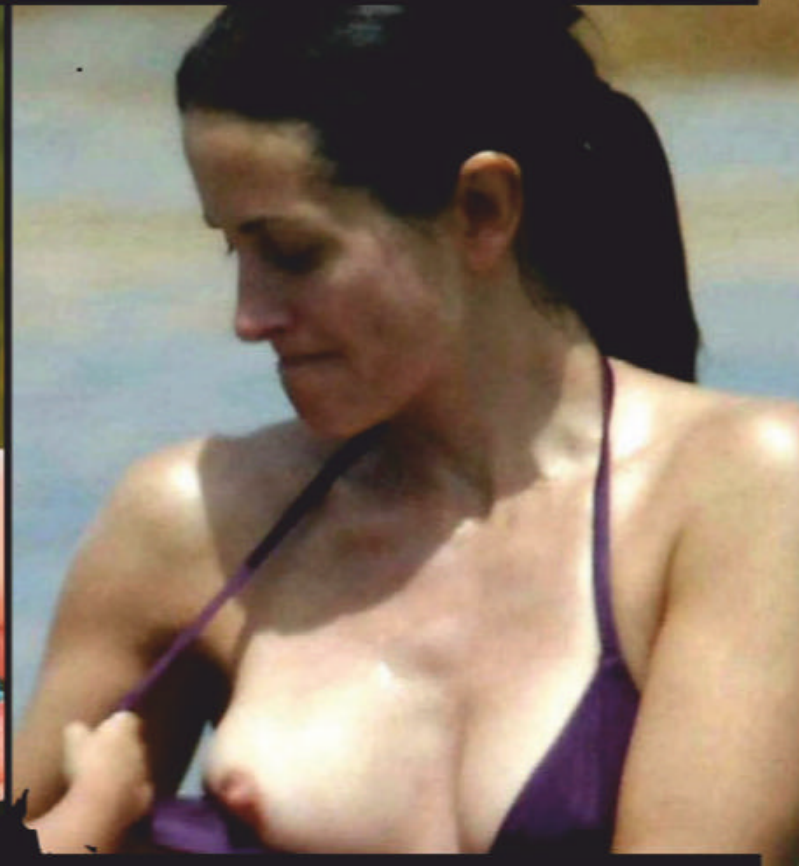
Olivia Austin

At only 32 years of age, Liv still has much to learn in the fine art of MILFing, but having appeared in *MILF In The Military* and *Total MILF 2* in the past year it's clear Liv is taking her newfound title seriously.

AGE: 35

Miranda Kerr

The baby of the bunch, the little Aussie sweetheart has already cranked out a couple of ruggies and reckons she's developed a "mum bod." If that's a mum bod then BRING IT ON!



AGE: 54

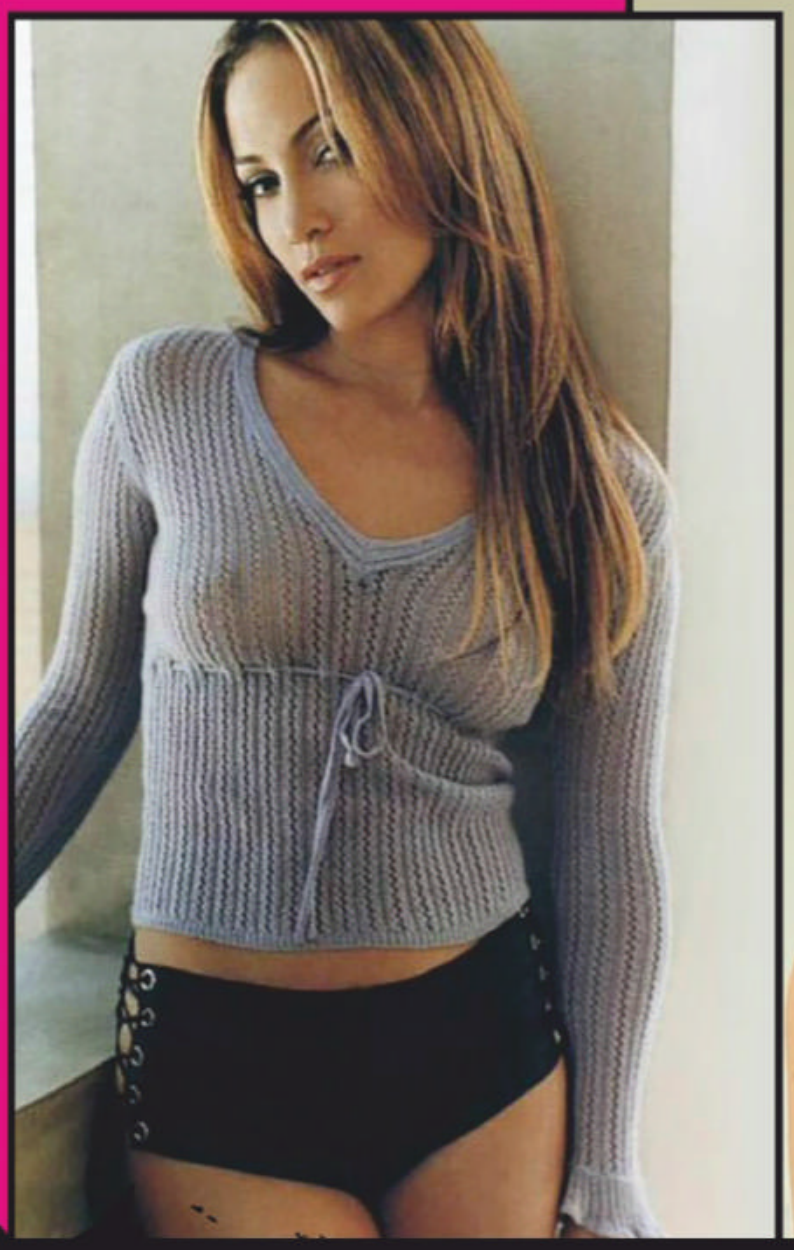
Courtney Cox

No surprises that Courts starred in the TV show *Cougar Town*. She definitely qualifies – her current fiancé, Irish rocker Johnny McDaid, is 12 years younger than her. Not bad for an old bird!

AGE: 48

Reagan Foxx

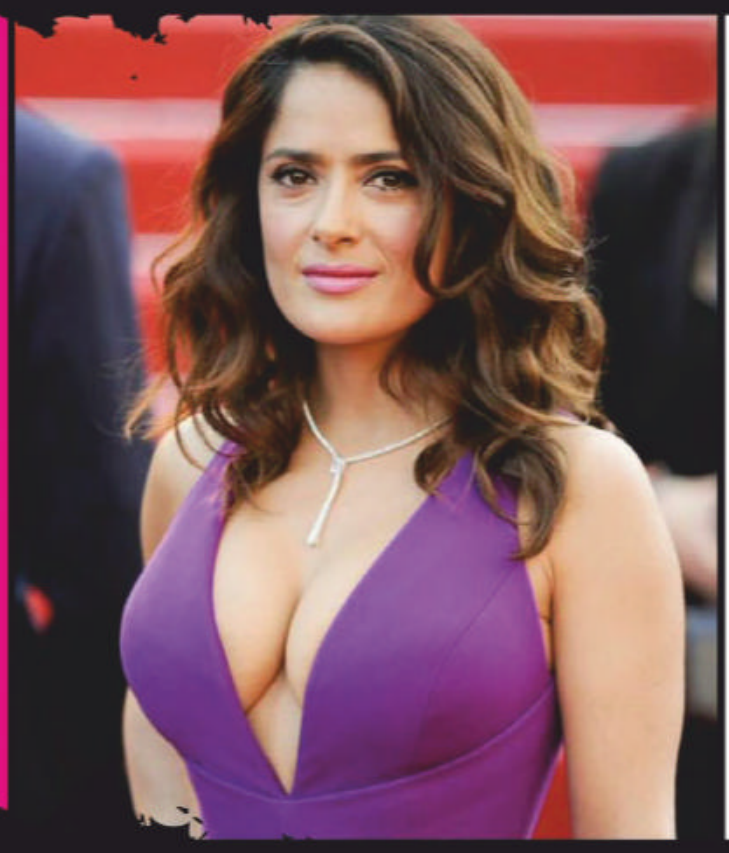
Entering the JIZZ BIZ at 46, Reagan has jumped CLUNGE FIRST into the industry, churning out 177 films in two years, including such classics as *Milfy MILFs* and *Blowing My Daughter's Boyfriend*.



AGE: 49

Jennifer Lopez

The arse that broke a million hearts once said: "There's this funny notion in America that you can't be a mom and be sexy. The truth is that women can be sexy until the day they die." Ya got that right, J-lo!



AGE: 52

Salma Hayek

Still hotter than the hottest Mexican chilli, Salma rocked our world when she poured tequila down her leg and into Quentin Tarantino's mouth in 1996's *From Dusk Till Dawn*.

AGE: 45

Heidi Klum

Was the first German Victoria's Secret model. Has four kids. Was married to the singer Seal for nine years. Was then rumoured to be dating a bloke called Walrus, but that may be a pack of vicious lies.

AGE: 49

Catherine Zeta-Jones

Maybe she doesn't look so old 'cos she's usually standing next to – and propping up – her ancient hubby, Michael Douglas. Nah, that's not it – she's just fucken GORGEOUS!

AGE: 52

Halle Berry

A former Miss USA runner-up, Halle carries a bit of baggage in the form of three ex hubbies, one current hubby, and two kids. But we'd still sell a kidney for the right to lick her discarded paddlepop sticks.

IN BED WITH KIKI

100% uncensored sex advice from Australia's hottest porn star!

MATES RATES

A FEW months back my man brought home one of his mates from work and we had a threesome. It was fun, but now he wants to do it all the time. I'm not very comfy with this new situation. Why do you think he's behaving like this?

NICOLE, VIA EMAIL

***KIKI SAYS:* Sounds like your man might be an experimental voyeur or cuckold. Voyeurs get off on watching others have sex, and cuckolds like to fantasise that their partners are cheating. In either of these situations, always remember you are in control – otherwise it's a bit of a sausage fest without you.**

TOY STORY

G'DAY Kiki, my wife wants to start using toys in the bedroom, but I reckon that's a cop out and a load of horseshit – why isn't my cock good enough for her? How can I make her be happy with just my man meat?

DARYL, KURNELL, NSW

***KIKI SAYS:* Have you seen some of the sex toys on the market these days? There are velvet touches, rabbits with rotating heads, and even double-headed contraptions! It's natural to be curious about what these gadgets would be like, but the grass isn't always greener on the other side. Let her have her cake, and give her some toys in the bedroom. She'll probably realise it's not all it is hyped up to be and crave your sausage in no time.**

"I'M UP FOR SOME KINKY STUFF"

REDDY TO GO!

HI KIKI, what a pleasure it is to be able to write to you – I've been blowing big, salty loads while watching your cute lil bod for years! Is it true rangas are wilder in the sack than normal people? I reckon you'd know.

B.K., DOLPHIN HEADS, QLD

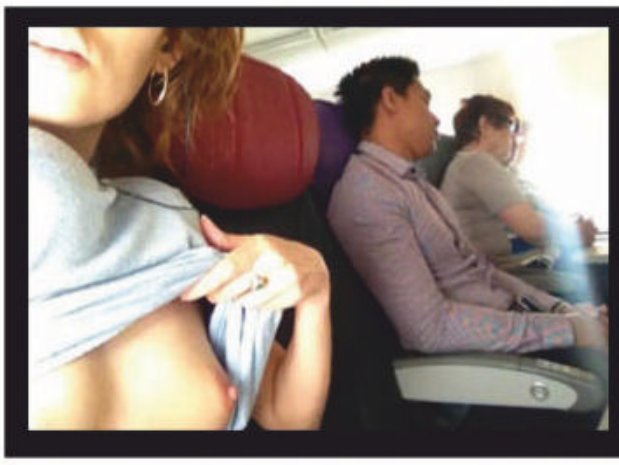
***KIKI SAYS:* As a ranga myself, I know I'm up for some real kinky stuff in the bedroom (and outside of it) but that's only if I'm crazy about someone. Redheads are definitely more likely to try some weird shit, but I reckon any girl that has the hots for you is more likely to go a little wilder in the bedroom. But as an avid researcher, I reckon you should continue your studies and let me know your findings!**

SUMMER LOVIN'

HELLO, so I hooked up with this chick while I was on holidays in Bali. We kissed a bit and she gave me a handjob through my boardies. Turns out she was from Perth, like me, and when I got back I looked her up on Facebook and it turns out she's got a boyfriend! I'd like to meet up with her again, so what should I do? Should I send her a dick pic?

JAYDOS, SUBIACO, WA

***KIKI SAYS:* DO NOT SEND HER A DICK PIC. I cannot stress this enough. Sounds to me like it was a romantic holiday fling, and that's how it should stay. Don't ruin a perfect memory!**



KIKI'S CONFESSION

"I sometimes take cheeky photos in places I shouldn't. It always gives me a thrill. Here's one I took while on a plane a little while back. Glad I didn't get caught."

KIKI WANTS TO HEAR FROM YOU!

Do you have a question only a SEXPERT like Kiki can answer? Do you want some advice on women in general? Or do you just want to ask about her XXX-rated sex life? YEAH? Then write to In Bed With Kiki, c/o THE PICTURE, GPO Box 5201, Sydney, NSW 2000, or send an email to picture@bauer-media.com.au. She's waiting!

YOU'RE JOKING

100% POLITICALLY INCORRECT!

A MAN visits the council to apply for a job. During his job interview, the interviewer asks him, "Are you allergic to anything?"

"Yes," the man replies. "Caffeine. I can't drink coffee."

"Ok, have you ever been in the military service before?" asks the interviewer.

"Yes," he says. "I was in Iraq for one tour."

"That will give you five extra points towards employment, " replies the interviewer. "Are you disabled in any way?"

"Yes," says the man. "A bomb exploded near me and I lost both of my testicles."

After hearing this, the interviewer grimaces and then says, "Okay. You have enough points for me to hire you right now. Our normal hours are 8am to 4pm. You can start tomorrow at 10am, and plan on starting at 10am every day."

Puzzled, the man asks, "If the work hours are from 8am to 4pm, why don't you want me here until 10am?"

"This is a government job," the interviewer says. "For the first two hours, we just sit around drinking coffee and scratching our balls. No point in you coming in for that."

GUZZLER, MOONTA BAY, SA

Q. WHY HAVEN'T THEY SENT A WOMAN TO THE MOON YET?
A. IT DOESN'T NEED CLEANING.

KONG, PATTERSON, VIC

AFTER putting it off for months, Lyall built up the courage to go to the doctor.

"You promise not to laugh?" he said to the quack.

"Of course, I'm a professional," said the doctor. "Now, what seems to be the problem?"

"Well, it's like this," Lyall said. "I'm worried about the size of my penis."

JOKE OF THE WEEK WINS $100

A COUPLE were Christmas shopping. The shopping centre was packed and as the wife walked around she was surprised to discover that her husband was nowhere to be seen.

She was quite upset because they had a lot to do, she became so worried she called him on her mobile to ask where he was.

He picked up the phone and in a quiet voice said, "Do you remember the jewellers we went into aobut five years ago, where you fell in love with that diamond necklace that we couldn't afford, and I told you that one day I would get it for you?"

"Yes!" replied the wife, as she choked up and started to cry. "Of course I remember that shop."

"Well," said the husband. "I'm in the pub next door!"

FRANK, DARWIN, NT

"Understandable, it's a common problem," said the doc. "Drop your trousers and we'll check it out."

Red-faced, Lyall did as he was asked. The astonished doctor struggled not to laugh as he looked at the smallest dick he'd ever seen. Keeping a straight face, he said, "How long has it been like that?"

Crying now, Lyall replied, "It's been swelling up like that for weeks!"

JARRYD, BADJALING, WA

Q. WHY DID GOD INVENT MEN?
A. 'COS A DILDO CAN'T TAKE THE GARBAGE BINS OUT.

D.Z., KURNELL, NSW

AFTER having a triple bypass, an elderly man told his doctor that his wife was afraid of making love in case it killed him. The Doc assured the patient that sex couldn't possibly hurt him. The man was so pleased that he asked the doctor to put this in writing.

After scribbling for a few moments, the Doc read it back: "Dear Mrs Smith, your husband is in such remarkable physical condition that I wouldn't be surprised if he could make love two or three times a night."

Not quite satisfied, the patient requested a slight amendment to the letter: "Could you take out 'Mrs Smith' and make it 'To whom it may concern'?"

HEFFA, EMPIRE BAY, NSW

ANTHONY Mundine goes to the doctor and says, "Doc, I get sexually aroused when I look in the mirror."

"I'm not surprised," says the doctor. "You're a cunt."

BILLY, MELBOURNE, VIC

MICK said to his mate Steve, "I can't wait to go home and tear off my wife's panties."

"You're that horny, huh?" Steve asked.

"Hell no, they're just too damn tight on me," Mick said.

P.O., NEWCASTLE, NSW

QUOTE OF THE WEEK

SEPPO FUNNY BLOKE: TOM SEGURA

"I'D LOVE TO LEARN ANOTHER LANGUAGE, BUT THERE'S TOO MUCH PORN TO WATCH."

"Masturbating is important, you know? You appreciate it more when you're a parent. I look forward to masturbating more than sex. You know why? 'Cause I know I'm gonna treat me right."

"I DON'T EVEN WANT TO, LIKE, LOSE WEIGHT TO LIVE LONG OR BE HEALTHY. I DON'T. I JUST WANT TO BE ABLE TO MAKE FUN OF FAT PEOPLE AGAIN."

"You want to know how big of a pig your man is? He's however big of a pig you give him permission to be. Every man has unlimited 'pig-tential.'"

"YOU EVER SHIT SO BIG, YOU TELL YOURSELF IT COUNTS AS EXERCISE?"

"I ordered a pizza the other day. They told me that if they didn't deliver it within half an hour, it's free! So I hung up without giving them my address."

THE JOKE'S ON YOU

THIS WEEK: NEIGHBOURS

A bloke lived next door to two very sexy lesbians. They were all quite friendly. One year they asked him what he wanted for his birthday, and they ended up giving him a Rolex.

"This is nice," he said. "But you misunderstood me when I said 'I wanna watch.'"

MY NEIGHBOURS LISTEN TO GREAT MUSIC – WHETHER THEY LIKE IT OR NOT.

A bloke sent a text to his next door neighbour: "Bob, I'm riddled with guilt: I've been helping myself to your wife when you're not home. Please accept my sincerest apologies. It won't happen again."

Feeling outraged and betrayed, Bob grabbed his gun, went into the bedroom, and shot his wife.

Moments later he got a second text: "Really should use spell check! That should be 'wifi'."

EVER SINCE MY NEW NEIGHBOUR MOVED IN I'VE BEEN TRYING TO GET INTO HER PANTIES. BUT THEN SHE CAUGHT ME TAKING THEM OFF THE LINE...

I knocked on my neighbour's door this morning and said, "I'm sorry, but I've just hit your cat."

"Oh no!" she cried. "Is it bad?"

"Put it this way," I said, "My cricket bat snapped in half."

FUCKING, AUSTRIA

IS FUCKING GOOD, JA!

Fucking Austria! Oops, sorry Austrians – that should be: Fucking, Austria.

SANDY BALLS, ENGLAND

Where the old blokes all wear boardies and leave trails in the sand.

WETWANG, ENGLAND

Wanna know what Wetwang's like? Just pour a beer down the front of your pants.

DILDO, NEWFOUNDLAND

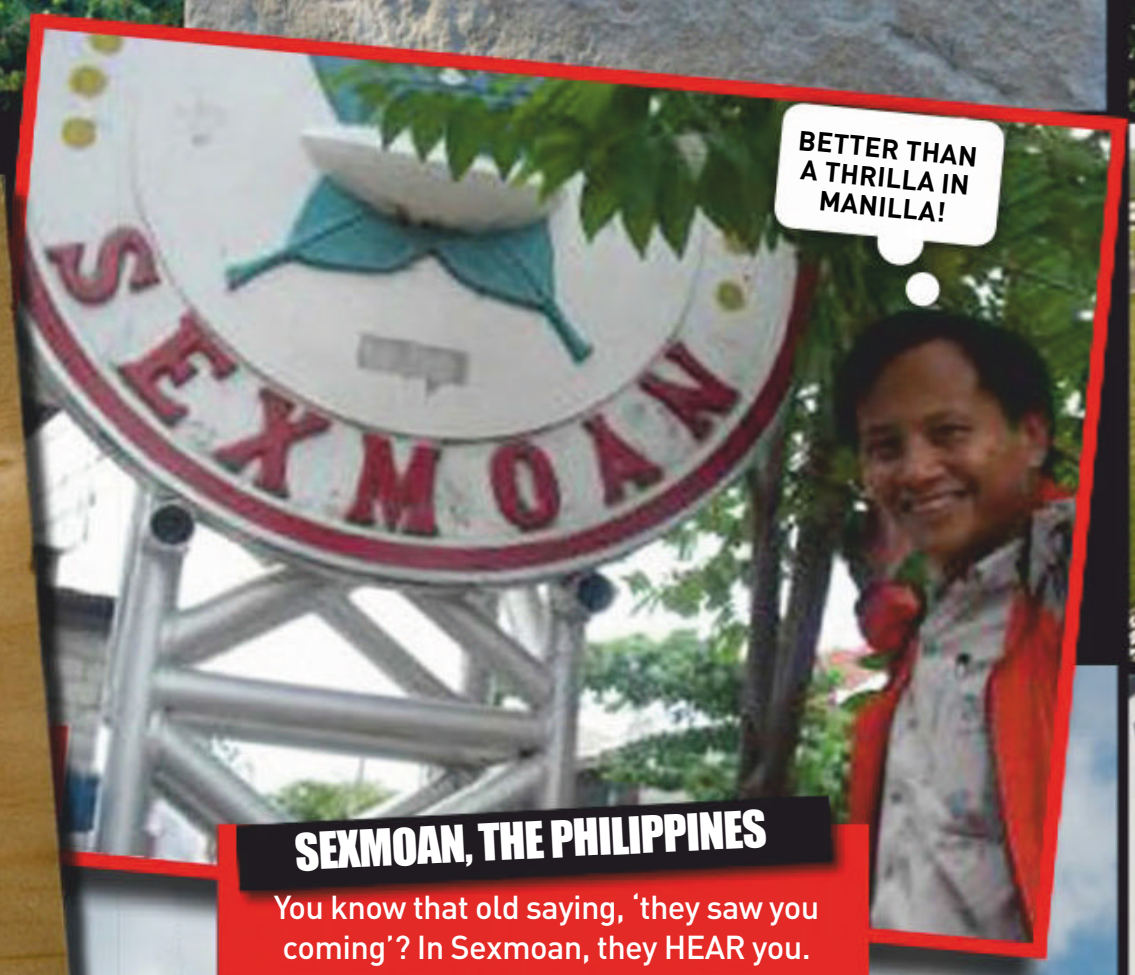
Take your missus there for holidays. She'll love you for being so thoughtful.

SHITTERTON, ENGLAND

Despite what some people saw, it really is worth shitting on.

VAGINA, RUSSIA

You can be sure of a warm welcome in Vagina, about 400 kays from Omsk.



SEXMOAN, THE PHILIPPINES

You know that old saying, 'they saw you coming'? In Sexmoan, they HEAR you.

TWATT, SCOTLAND

How can you tell if it's a Scottish Twatt? It smells of whisky and haggis.

MUFF, IRELAND

Apparently, it's twinned with a town somewhere in BRAZIL, ironically.

WANK, GERMANY

One thing about the people of Wank – they all pull together in a crisis.

MUNGO'S ON TWITTER

That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done-a-big-poo stuff, just my usual classy shit. It's at: https://twitter.com/ThePictureMungo

LICK IT GOOD

DEAR Mungo, as a proud rug-munching woman who also loves the cock, I just wanted to let you know I've been flicking the bean like mad over Kylie Page since you introduced me to her. I wanted to ask if you champions could organise to print some piccies of her doing lezzo porn, 'cos that would have me coming like a train.

M.M., GRAFTON, NSW

MUNGO SAYS: Your request will immediately be given the highest priority, because all of us are dead keen to see young Kylie go the full lezzo tonk as well. Leave it with me.

AIN'T LIFE GRANDE!

G'DAY, I loved the "best of 2018 Homies" section in the last issue. It was great to see all those hot spunks from throughout the year altogether. Even though I get most issues, every now and then I miss one 'cos the local servo sells out, and one of those must've been when Sophia from South Australia was in. Is it just me or does she look a lot like Ariana Grande?

M.L., NAROOMA, NSW

MUNGO SAYS: Nah, you're bang on the money there, M.L., Sophia definitely has the Grande look. Mind you, we've had quite a few Ariana Grande look-alikes this year, which is OK by me. I like the little spunk. And it saves me tryna imagine what she might look like in the nuddy, 'cos there it is!

FUR SHE'S A JOLLY GOOD SHEILA

HELLO Mungo! I asked my partner to get a full Brazilian and to call it Seymour. She said she would think about it but that was six weeks ago and I still have not been able to see more. What do you think?

MACCA, MELBOURNE, VIC

MUNGO SAYS: I think maybe you asked for too much. Some chicks don't like the fully shaved look, and apparently it gets fucken itchy. After all, it is her smoo, even though you have visitation rights. You could compromise and ask her to get what I call the peekin' Mohican, or what less clever bastards might call a landing strip. You still get to see some dangly bits, and she gets to keep some fur. Everyone's a winner.

MUNGO BITTER

MUNGO, I've seen a lot of those Aussie craft breweries have been bought up by the big companies for millions of bucks, so what started out as a couple of blokes making home brew in their garage has ended up a big earner for them. So how about you and me team up? I'll do the brewing, I just need your fame to sell it. Then we flog the whole shooting match to CUB and retire to the Gold Coast and pay strippers to bring us coldies from our enormous beer fridge. What do you say?

JIMBO, BUNDABERG, QLD

MUNGO SAYS: I'm in. Anything to do with the making and selling of beer is OK by me, as long as there's not a lot of heavy lifting involved. In fact, I'd rather not get off the couch. But if you can work around that, I don't see why we can't pull this off. To be strictly legit, though, I'll have to taste your product first, so bung me a few slabs and I'll work up a business plan.

OLD GUARD, NEW GUARD

MUNGO, it's great to see Kiki Vidis back in the mag as the advice columnist. I always did fancy her heaps, with her cute little natural boobs and slender figure. Nothing against Trinity, but – she was hot, too. I was wondering did they ever do a shoot together? 'Cos that would be something to see. Maybe you should organise it as a 'passing the baton' sort of thing. Just an idea.

L.P., HEALESVILLE, VIC

MUNGO SAYS: Nah, they never rubbed smoos in front of the camera or anywhere else as far as I know. As far as the baton thing, that could get out of control – fuck knows what they'd do with the baton if they did it! Although I've got a few ideas...

MUNGO WANTS TO KNOW...

How good is the first cold beer on a hot day? Yeah, the second's nice too, but the first one is king.

SICK PICS

YOU WON'T BELIEVE YOUR EYES

HOT WHEELS!

FORMULA Ford is a category of motor racing in which the drivers race dinky little cars with dinky little engines on dinky little tracks. It's basically go-kart racing with a little more grunt. But not a lot more. The engines tend to go 'ning-ning-ning' rather than 'varoom-fucken-varoom', and the cars look like what some rich eight-year-old got for Christmas. But they can still fang like fuck and it takes a fair bit of skill to get one around the track without pranging. Soooo... what the fuck happened here to Pommy driver Nelson Rowe at the Caldwell Park race track in north-eastern England then? Having collided with another car, Nelson's went arse over tit and landed upside down, trapping him underneath. Then it caught on fire. Yep, Nelson was having himself a BAD DAY. But another driver and a spectator DRUG him out of it, and he was carted off to hossie, where they found the two-time British Formula Ford champion was OK – shaken, and just a little bit STIRRED.

Chikita's all-natural norks are back

"I LOVE TOUCHING MYSELF"

IN THE four years since Chikita last appeared in our beaut little mag (issue #1249), we've had countless scribbled letters and dozens of late-night phone calls demanding the return of the giant-chested Czech.

Well, your demands have finally been met – Chikita and her 34DD GAZONGAS are once again gracing our pages.

What've you been up to Chikita?

"A bit of this and that. Still modelling and having fun. I made a couple more sexy films of me playing with my pussy. They're always fun to do as I love touching myself."

How often do you JILL OFF?

"Nearly every day. It's how I relax. I feel all uptight and then when I masturbate, it makes me feel cool and calm."

What kind of fapping material do you use? Couple issues of 100%

HOME GIRLS, maybe?

"I sometimes watch porn – I like lesbian porn. But most of the time I go from memory and my imagination. It's good to use your brain to masturbate, I think it keeps you healthy."

We must be a picture of perfect health then! How about sex with other people – what do you enjoy in the sack?

"I love when a woman goes down on me. They're definitely more skilled than men at it. They know all the right spots and when to slow down and speed up. I can orgasm very quickly from a woman licking my pussy."

Us blokes will have to up our game then. Are your BEAUT BOOZZIES sensitive?

"Yes, I have one nipple that is inverted and when I get aroused it kind of pops out a little bit. But I love the sensation of having my tits sucked. I could have it done all day long."

We're sure it wouldn't be hard to find a volunteer!

"I CAN ORGASM VERY QUICKLY"

MY HOLIDAY FUCK

READER'S ROOTS FROM AROUND OZ

TAKE A PICTURE, IT LASTS LONGER

I WAS ending my trip around Europe with a few weeks chillin' on one of the Greek islands, with nothing to do but party all night and flake out in the sun on the beach during the day.

There were a few hard-to-reach beaches where you could skinny dip, so I'd head there 'cos it felt great swimming in the nude after a big night.

One morning I was lying on one of these beaches totally nude when along came this pretty American chick I'd been trying to crack onto the night before.

Before I knew it, she'd stripped off and put her towel down next to me, and I couldn't help but crack a hangover half-chubby.

She grinned, and to my amazement gave herself a sly finger and said, "Yeah, I'm a bit that way myself."

She continued to finger herself while my cock got harder. We were obviously both horny as hell, but I knew it would be risky fucking on the beach so we picked up our stuff and walked around the rocks to where we'd be out of sight.

She immediately dropped to her knees to slobber over my cock to get it nice and slippery, then bent over and guided it into her cunt while she leant forward on a rock.

We got a good rhythm going, and I got the pleasure of watching my cock slide in and out of her while gazing down on her tanned arse and occasionally glancing up to look out at the glittering ocean.

And that's when I saw the boat.

It was a big cruiser crammed to the railings with tourists, and it seemed like every one had their phone or a camera out and were taking pictures of us.

I couldn't think of anything else to do, so I tapped my sexy friend on the shoulder and we both waved and continued to fuck our hangovers away.

I hope they all got some nice photos of us.

ANIMAL ACT

ME AND my boyfriend Josh saved for ages to go on an African safari – really just a fancy camping trip in luxury tents where you go to look at the animals.

It would be our first OS trip together, and being a horny young couple we were looking forward to lots of hot sex.

But the first night we realised it might be a problem. You see, I'm a real screamer when I'm fucking and from the look of the way the tents were set up close together, everyone would be hearing me all night – and I do mean all night, 'cos Josh and I both really loved a good long session.

Anyway, we thought if we waited until everyone was asleep and I stuffed a pillow in my mouth we might get away with it.

Turns out, we didn't need to worry.

At some stage of the night all the noises started. Howling, screeching, roaring – it sounded like the whole jungle was having one giant orgy.

Josh and I looked at each other and realised my screaming my head off wasn't going to be a problem.

Actually all the jungle noises were quite a turn on, and as Josh stuck out his magic tongue to work on my dripping wet smoo, I started to join in.

He'd give it a long slow lick from bottom to top, and I'd start moaning really low, then finish off with a high-pitched squeal as he was flicking his tongue over my clit.

Then, when I started sucking Josh's nice fat cock, he got into the act and started grunting as he fucked my mouth.

Soon we were making all sorts of weird noises as he slid his cock into me. When I finally came I let out a huge yodel ended with a deep, low moan, and I swear something out there in the jungle, some female jungle creature, answered me.

Maybe she was getting some hot sex, too.

ME AND my missus got landed with hosting the family Christmas one year and got invaded by both her and my parents, brothers, sisters, kids, and the odd stray cousin, a lot of them staying over.

Suze and I don't have any kids and would've preferred to be left alone to play hide the sausage, but we did our best to suck it up.

We'd sneak in a dry hump while we were preparing something in the kitchen, or I'd slide a finger up the leg of her shorts while she was getting something out of the oven.

She even gave me a quick handjob in the bathroom when we managed to slip in there together, but because we'd given up our bedroom to her olds and were camped out on the floor, a proper root was out of the question.

It was driving us nuts, so by the time Boxing Day arvo rolled around we were so keen to get rid of everybody and chuck a massive fuck session we were climbing the walls.

When we finally got everyone out the door, we couldn't even wait to get to the bedroom – we just sank to the floor in the lounge room and started ripping our clothes off, my fingers up Suze's snatch, her mouth on my cock, kicking bits of wrapping paper and plates out of the way.

We 69ed for a little while – and she was so wet my face was soaked in seconds – then I spread her legs wide and mounted her under the Xmas tree, knocking angels and stars off everywhere.

I was grunting it up her like a champion when I heard this little "Hmm-hmm" behind me and there was Suze's mum standing there.

We were so horny we'd forgotten to shut the front door and she'd come back 'cos she'd forgotten her purse.

She just grabbed it and ran while we kept fucking.

VENESSA // 22

GOLD COAST, QLD

Venessa reckons she's a bit of a practical joker, although her bloke probably has a more colourful term for the time she waxed his nuts while he was asleep. "He wasn't impressed," admits the 22-year-old beauty therapist. ***So, do you like a soak in the tub?*** "Yes." ***Get up to anything else in the bath?*** "Well, I do have a couple of waterproof vibrators." ***You'll probably need them until your bloke's scrote recovers. Any public rootage under your belt?*** "On a drive to Melbourne we stopped on the highway and had a root in the back seat." ***Did that break up the journey for any other drivers?*** "We got a few toots. The car must've been shaking." ***What about threesomes?*** "I did that when I was about 18." ***Not doing it again?*** "I dunno. Two drinks and who knows what happens?" ***The police. THAT'S who.***

ALEXA // 24

MELBOURNE, VIC

Awesome Alexa's natural DD's have been telling gravity to GET FUCKED since they first sprouted. ***We can't stop staring at your maracas, Alexa.*** "That's the problem that most men have. Guys yell out of their cars at me – it just doesn't stop." ***But you don't mind, right?*** "No, I'm a showgirl, and they make me a lot of money. The only time they get in the way is when I'm at the gym." ***Is that a good place to pick you up?*** "It can be. I once met a cute guy there and ended up having hot sex with him. He loved my tits and was always trying to play with my nipples." ***He was probably jealous of your chest development! What's the sexiest thing a bloke can do to you?*** "Give me a compliment." ***You sound like an easy girl to please, Alexa!***

ALEXIS // 20

ADELAIDE, SA

"I love roleplay and costumes," says titanic-titted 20-year-old Alexis. ***Dungeons and Dragons usually attracts fatter, more bearded participants.*** "I've done a secretary/boss roleplay which was hot. There's so many I want to try. I like a bit of power-play and for things to be a bit rough. Neck biting is a huge turn on." ***What other role-playing scenarios would you like to try?*** "The next on my list is to play a bad girl cop. Usually I'm the submissive one in the roleplay, like the secretary/boss situation. It'd be fun to take control of the fantasy for a change." ***What do you like about being someone else?*** "Obviously costumes are hot, but it's deeper than that. I think roleplay allows you to explore your sexuality, and makes you more confident to try new things. When you play a character you can let go of yourself and your inhibitions. There's no better way to change the balance of power in the bedroom." ***Sounds like a pants-off by-election.***

TAMIKA // 19

HOBART, TAS

Blokes, maybe girls can teach you more than how to take a slash sitting down, shop for high heels or parallel park like Stevie Wonder. Just ask 19-year-old Tamika, who revealed ALL to us. "I had a threesome with another girl and a guy." ***Sounds beauter than a list of really beaut things.*** "I loved it. Girls definitely know how to please each other." ***What did she do? Feel free to go into graphic detail.*** "We went down on each other." ***We expected slightly more detail. And are girls better at trimming the rug?*** "Yes, they're definitely better." ***Well, that certainly makes our reverse-parking skills seem a bit trivial. What do you get up to with guys that gets your juices gushing?*** "My favourite would be girl on top." ***Duly noted, Tamika.***

ANNIE MAY // 22

SYDNEY, NSW

"Hair pulling, mild biting and sucking honey off the man's member" are just three things that turn on 22-year-old Annie May. ***Any other foodstuffs make an ideal accompaniment to a main course of cock?*** "Nothing. Just honey." ***What parts of your body should we be paying the most attention to?*** "My waist and my bum." ***Is this the first time they have been exposed to a wanton shutter?*** "No, there are too many other people to list who have photographed me nude." ***And hopefully filmed you in action.*** "Nope." ***Damn. Have you had sex in any weird places?*** "Behind a huge advertising billboard three storeys high. On a metal grating." ***Sounds beaut fun.*** "I did not like the metal grating, but I did enjoy the view. And the risk." ***Did your love of the risk mean you secretly wanted to get caught?*** "Sometimes, yes." ***We'll be glad to do you a favour and walk around the corner next time.***

SWEET CHANTILLY // 30

MACKAY, QLD

We'd get off the barstool and get to the gym more if this was the sight that greeted us, rather than a bunch of fatties on treadmills. To see a fit 30-year-old Canadian naked in a gym, we'd even join a Zumba class. Well, maybe. ***What's so good about skipping the boozer to sweat in a room full of grunting fitness freaks?*** "I just like being fit and having energy. And I like the power of being strong." ***Boring.*** "And having a nice physique that's pleasing to look at." ***OK, you got us there, we're glad you go. Is this your first naked workout?*** "Yeah, it was pretty thrilling. If I could be naked all the time, I would be. If I could walk around town naked, I would. Clothes are overrated." ***Bloody oath. And in your case, a crime against humanity.***

ASHLEY // 20

SYDNEY, NSW

Ashley, 20 once had a Wellington boot that went for THREE WHOLE FUCKEN DAYS: "We holed up in a hotel for three nights for my ex-boyfriend's birthday and just had sex non-stop. It was so good! He spent the whole time paying attention to me and pleasing me – he always said that me getting off made him get his rocks off." ***What a nice bloke… the LUCKY BASTARD. How do you like your purple-headed yoghurt pistols served up?*** "I like to go with the flow and just let things happen. I also like it when guys throw in things unexpectedly while we're doing it. I don't like really dirty, filthy sex, but I had a guy who used to bite me on the neck out of the blue while we were having sex. That was great." ***Definitely not that vampire from* Twilight, *then. Have you got any fantasies?*** "I'd really like to do it in a castle with a massive four-post bed and an open fire. No dressing up, though… I prefer no clothes at all." ***What should every man in Oz know about you?*** "I love to put chocolate body paint on guys and lick it off. I have one that is chocolate and Kahlua – it's really tasty." ***Just like you in your birthday suit, Ash!***

STACEY // 21

GOLD COAST, QLD

Ludwig van Beethoven was a good-looking bloke, but he's not the hottest piano player of all time – that honour goes to racy Stacey! "I've been playing for eight years, but the image I project when I'm performing is totally different to how I am in the bedroom," remarked this 21-year-old call centre worker, before telling us, "My sex life is really fiery – I like it rough with plenty of spanking and hair pulling." ***Ever done anything HIGHLY INAPPROPRIATE?*** "My partner and I were driving through a tiny country town when we got the urge to shag next to a church. It was fun!" ***Would you ever bonk a blow-up sex doll?*** "No, what sort of person would do that?" ***Don't you judge us! Would you rather root Michael Clarke or Lara Bingle?*** "Bingle." ***Howzat, Pup!***

BELLA // 19

DARWIN, NT

Don't even think about grabbing Bella on the arse if you see her at a nightclub. "A bloke tried that once and I broke his jaw," the 19-year-old snarled. "I'm very happy with my partner and I'm not interested in anyone else. But guys won't leave me alone because they like my boobs so much." ***Does he tend to your LADY GARDEN on a regular basis?*** "Yeah, we're at it all day, every day. I like being tied to the bed." ***More sexy stories, please!*** "We were down in Melbourne not long ago and after a big night on the drink we had sex in the back of a taxi. The driver took the longest route home and watched us the whole time. I think he even had a wank." ***Well, it'd be PRETTY FUCKED UP if he didn't. Do you get off on cyber sex?*** "I used to."

SKY // 21

MELBOURNE, VIC

Poor Sky had to work in a shitty bakery in England to afford her trip to Godzone. "There was nothing glamorous about it – but I'm stoked that I've arrived," purred the naturally stacked 21-year-old. "I'm gunna leave Melbourne as soon as I can and head up north to the beaches and sunshine." ***Has it been hard finding a root?*** "No, my sex life has been picking up since I arrived. There's plenty of guys in the hostels I stay at, though sometimes it's hard to get privacy. Often I'll be trying to do it quietly while some weirdo in a bunk across the room is listening in." ***And probably having the best wank of his life! What do you wanna do before you leave?*** "Sleep with more Aussie men – they're big and handsome." ***Would you root Julia Gillard?*** "It depends what she's like to talk to."

BONNIE // 19

MACKAY, QLD

We knew that COCONUTS grew well in Mackay, but not this FUCKEN WELL! ***Please explain, Bonnie.*** "My boobs are size 8E and totally natural. I'm 19 and they've been this big for about two years." ***Do they BUST OUT of all your clothes?*** "It's hard to find ones that fit, but I'm very shy, so this is the first time I've ever really showed people." ***And we're very grateful! Are you shacking up with anyone?*** "I'm single at the moment but my sex life is good. I love doing it from behind and it's nice when guys suck and play with my boobs." ***For THEM, too. What else should we know?*** "I can't go past a Fresh Pussy – it's a cocktail with vodka, peach schnapps and cranberry." ***Which boob is your favourite and why?*** "The right one. It's bigger."

CHERRI LEE // 27

MELBOURNE, VIC

Tit lovers of Oz, you're officially IN HEAVEN. "Mine are natural 10Gs and I wouldn't trade them or enhance them for the world," declared this proud 27-year-old dancer. "I've been lucky enough to have been born with what women want to pay for." ***And BLOKES WANNA FUCK.*** "Yes, that's happened a few times, but mostly I like men to bite on my nipples – it feels awesome." ***Nice joint you've got there. Do you shut the blinds when you have a Wellington?*** "No, standing like this is fun. I like to think there's people in other flats watching me and I don't hesitate to have sex like this!" ***No wonder real estate prices are skyrocketing in Melbourne. What pisses you off?*** "When people pretend to be something they're not." ***You tell 'em, Cherri Lee!***

SKYE // 25

SUNSHINE COAST, QLD

We thought the BOOBPOCALYPSE had begun when this gorgeous 25-year-old's shots arrived in our office. ***We're stoked with those cans, Skye. What do other fellas reckon?*** "Men love them and they make me look great when I'm wearing a bikini. I'm single at the moment, so I hope they attract the right man." ***SINGLE? Get out of town! What sort of bloke are you after?*** "Somebody who is switched on, decent and likes a lot of sex. I'd hate to wear him out too quickly." ***No chance of that happening. What's your favourite possie?*** "Getting it from behind. Blondes have more fun, you know." ***It bloody sounds like it. What can't you say no to?*** "Money." ***Sounds like that old saying 'money talks' certainly rings true here.***

CANDY // 21

BRUNSWICK, VIC

French backpacker Candy is so SWEET, she'll give you DIABETES if you chew on her long enough. "I really like it when guys go down on me," the 21-year-old flight attendant giggled. "Australian men are really sexy, and I've found them to be the best with their tongues and hands." ***What's the secret to a FINE DINING EXPERIENCE?*** "You need to start gently, then work into it. Work your tongue around the clit and have at least two fingers inside me." ***How's the camping scene treating you?*** "Really good! I met a guy at a camping spot a few weeks ago and we had sex by the fire. It was great and we just threw the condom into the flames when we were done – no cleaning up!" ***Those poor sperm! What other SEXPERIENCES do you want to have in Oz?*** "I've never been with a female, so I really want to do that. And I'd like to see what it's like being with a guy AND a girl at the same time. I've already been with two guys at once, so it'd be nice to get a lady into the mix." ***A balanced diet of sausage AND fish is essential to happy living.***

STACEY // 25

FREMANTLE, WA

Blokes go to Stacey to get their ears lowered and their cocks RAISED. "I'm a hairdresser and customers are always flirting with me and asking me out," the spunkalicious 25-year-old told us. "One 70-year-old pensioner even invited me to Paris. I said yes, as long as I could have my own room and his credit card!" ***Sounds like a fair deal. What breed of dude are you attracted to, then?*** "Funny guys who I meet when I'm getting sloshed at a nightclub. I'm not afraid to go home with them for casual sex – as long as they're willing to go down on me. I love a good 69er followed by some doggy style action. Who needs sleep?" ***Are you attracted to drunk blokes with PISS STAINS on their pants?*** "Um… no." ***We'll change our trousers then. Your best drunk fuck was…*** "On the back seat of a bus. Well, until the driver stopped the bus and kicked us off. What a dickhead." ***You sound like you've tried a few things over the years!*** "Yeah, I'll have a crack at absolutely anything. I've lived out all my fantasies, and those of quite a few guys as well. I love sex!"

DANIELLE // 27

MELBOURNE, VIC

You're out here from Pomgolia – been fucking yourself silly? "I'm out here with a mate who has a boyfriend back home, so we haven't been going out on the pull. I've been out here two times before and I had a lot of sex back then, though!" ***That's more like it.*** "I worked at a hostel in Perth for a while and I had the keys to every room. Late at night I'd sneak into them and get it on with the fellas! Another time I had sex with my scuba diving instructor on a deserted island. I'm usually too drunk to remember sleeping with guys, though." ***C'mon Dani, maybe if you try REALLY hard…*** "OK, I remember shagging a guy on the beach, and having another guy in the dark corner of a nightclub. I'm going back home in two weeks so I'm really hoping to hook up with a tall, dark and handsome Australian before my time is up." ***They'll be lining up after they read this, Danielle.***

DIAMOND-ROSE // 26

ENTRAL COAST, NSW

Diamond-Rose reckons she's always been an exhibitionist, so it's just as well she's a stripper and not a kindergarten teacher. Mind you, you'd get more dads showing up at parent-teacher night. ***The weirdest place you've been nude is…*** "I'm always nude. Any time I can be, I'm nude. I do the housework nude. I work nude. I model nude." ***Ever driven a car in the nuddy?*** "Yep, I was getting changed at the time." ***The blokes you like…*** "Can give good oral. I'm also into girls." ***Are chicks better at cunning lingus?*** "It depends on the guy; some are really good. But every girl is good at it, as they know what they're doing." ***Threesomes and moresomes – OK or out of the question?*** "I had a foursome once, but the guys weren't really involved. My girlfriend and I took over and they just watched." ***That's a bit slack.*** "We were having too much fun, anyway. They would've just ruined it."

SADI JAY // 19

BYRON BAY, NSW

If Sadi Jay, 19, did this back home in Canada, she'd die of hypothermia, get licked to death by a moose or thrown into the slammer by a Mountie. Luckily, she managed to escape to a more nude-friendly climate. ***Do you like going naked on the beach?*** "Yeah, nude beaches are alright. I've been doing it often here." ***Get naked outside anywhere else?*** "Besides the lakes back home? No." ***They must be nipple-hardeningly chilly. How can a bloke heal your chronic case of being single?*** "He should definitely have a sense of humour. And he has to be big and squishy." ***So John Candy is your ideal man – other than being dead.*** "No. definitely not."

EVA // 24

ADELAIDE, SA

"I've had sex in a room full of people," confesses hairdresser Eva, 24. "They thought I was just sitting on top of the dude, but really I was riding him secretly, teasing him slowly. He just wanted to eat me up after that." ***No wonder. Do you get much of an appetite for girl juices?*** "I've had sex with lots of women. I love getting in between thighs and licking pussy. I've had threesomes with boys and girls." ***Nice, a matured palette. What do you recommend about them?*** "There's so much going on at the one time and you can get down and dirty." ***But it must be hard to fit everyone in the shower afterwards.***

RUBY GRACE // 21

GOLD COAST, QLD

Ruby Grace is in the RIGHT kind of work for a chick with stonking natural boozzies. "I just started as a topless waitress a little while back. It's so much fun and the money is great," chortled the chesty 21-year-old. ***What size are your blamps?*** "They're 10E and they get a lot of compliments from men. They sometimes knock things over, like the other day one knocked over a guy's beer." ***That's why they're called KNOCKERS. Do customers try to pick you up?*** "Yes, all the time. I'm getting lots of sex at the moment and I'm hoping to have another girl-on-girl experience again soon. Girls are just so sexy and they're not clueless about getting us off." ***Send us an instructional video. Who should be Australia's next saint?*** "Steve Irwin." ***We like the way you think.***

FLORA // 26

MELBOURNE, VIC

As she heads back to Europe, sure 26-year-old Dutch spunk Flora might miss the bright weather here, but she'll not wistfully pine for Australia's puritanical nudity police and their weird obsession with wearing pants. ***Have you been getting naked in the water and on the beach while travelling around Australia?*** "Yeah, sure, I like that. But it's often hard to get to those places without a car. I tried it twice at regular beaches, but a ranger approached me and told me I could get fined. Stupid laws here." ***Better in Holland?*** "Yeah, topless is OK always. And nude beaches are more common, so people aren't surprised. But I'm nude at home or in the garden here." ***Need a flatmate?*** "But I have liked the nature and the beaches. I also enjoyed modelling work, which I started doing here. Arty nude shots in nature, mostly." ***Let's hear it for biodiversity.***

CHERRY // 22

NORTHERN RIVERS, NSW

This beaut blonde British traveller is an accountant back home. Which is a bit dull. Luckily she has a hobby that gets our thumbs raised: "threesomes". ***You like a bit of group action, then?*** "While travelling, we get up to all sorts of things." ***Tell us more. Now. HURRY.*** "When you're in a dorm room sometimes you have to pretend you think the others are sexy so they don't dob on you for doing it with them in there. There was one Aussie guy in a dorm room in Byron Bay with four blondes; me (the British one), a German, a Swede and an Aussie girl. He was really hot and hard, with tatts all down his arms. I think he had a good night." ***So you don't mind getting it on with the ladies, too?*** "Who hasn't?" ***Elton John? What is the best way to get you to orgasm?*** "My best way to reach orgasm is with my own assistance; a guy can't do it alone."

GEMMA // 20

GOLD COAST, QLD

You know those chicks who love horse riding and collecting soap? Well, Gemma is DEFINITELY NOT one of them. "My only hobby is having sex, and I try to do it up to four times in a day." ***When was your last spot of CROTCH SOCCER?*** "About 20 minutes ago and it was really good." Last Christmas, Gemma's bloke brought her home another fella as a pressie. "It was amazing. I love blowing a guy while the other is doing me doggy style. Two cocks are way better than one." ***Fair call. How's he gunna top that this year?*** "I think it'll just be new sex toys. I'm actually looking around for another girl to join us in bed. It's not easy finding one." ***It'll be even harder wrapping her up.***

RUBY // 24

SCOTLAND

"I have a map of the world on my wall and when I have sex with a guy, I stick a pin in the country he comes from," Ruby, 24, told us. "I'm not going to say how many pins I've put up, but I did recently have a threesome with a Brazilian and a French guy. Now I want to get it on with an Aussie, a New Zealander and a Canadian at the same time." ***Crikey! Have you always been so POPULAR?*** "I slept with a lot of guys in Scotland, too, but it's better out here. I'm heading home in May and I'm not looking forward to it, so I'm hoping to marry an Aussie so I can stay forever." ***Has Godzone inspired you to new sexual heights?*** "Yeah – I tried anal sex for the first time earlier this year and I love it. There's no way I could settle down at the moment – one guy isn't enough for me." ***Are you working?*** "Yes, but I almost lost my job as a barmaid when I got drunk and stripped naked. Although, most of the guys at work quite enjoyed it." ***The drinks weren't the only things that were STIFF that night.***

ROSE // 19

BRISBANE, QLD

The first thing blokes notice about Rose is her infectious smile – nah, just kidding, it's her tits! "They get heaps of attention and I'm pretty sure guys don't hear a word I say when I'm talking to them," the 19-year-old hairdresser said about her ENORMOUS E-CUPS. "They definitely help when I'm looking to pick up in a nightclub." ***Do you have a lot of one-nighters?*** "Yeah, you could say that. There've been a few times when I've had a bit too much bourbon and woken up in a strange bed and then had to escape before the bloke wakes up." ***What do you like these lucky fellas to do to you?*** "Nothing too extreme. I like being told what to do, but other than that I just like to have sex the way most people do, with an emphasis on doggy style. I love that!"

GEMMA // 21

GOLD COAST, QLD

Gemma here is a virgin… at going in THE PICTURE. "It's my first time," the 21-year-old Goldie glamma gawped. "It feels pretty exciting." ***Don't worry, we'll be gentle. Whaddya do for fun?*** "I love playing netball and snowboarding down at Perisher." ***Do you like going to the beach as well?*** "The best thing about living on the Gold Coast is definitely the beaches. I love going down there in my little bikini to tan and go swimming." ***And we'd love to watch. What's the best thing a bloke has said trying to pick you up?*** "I hear some pretty funny ones all the time at work, but I think the best one is, 'You're so beautiful you made me forget my pick-up line.'" ***Naw… now we've forgotten our next question. Erm… tell us your naughtiest sex story.*** "My partner and I went on a holiday and had a few drinks at dinner, and things started to get a little hot under the table. So we went to the disabled toilets and had amazing sex before returning to our table for dessert."

JADE // 31

BRISBANE, QLD

This miraculous mother of four was a Home Girl 10 years ago! ***Jesus, Jade! That was back when chicks HAD PUBES!*** "Yeah, and I had less tattoos. I'm really happy with the way my body looks, but." This 31-year-old make-up artist also reckons her fuck life is getting better every year: "I always find time for it, no matter what's going on. It's nice getting it doggy style and having a bloke smack my arse." ***Do younger fellas try it on with you?*** "They try, but I'm only interested in older ones. Lots of guys love my big nipples, too. Personally, I hate them." ***Will you come visit us in another 10 years?*** "No, I think this will be your last chance to see me naked."

ROSAMINA // 23

SYDNEY, NSW

Film studies student Rosamina, 23, can rattle off a long list of high-falutin' directors; even a couple without sex accusations levelled against them. "I like Kubrick, Polanski, Woody Allen, Wong Kar Wai, and Ang Lee." ***No Rocco Siffredi? Which erotic scene turns you on the most?*** "The first sex scene in Ang Lee's *Lust and Caution*." ***Oh, that one.*** "It stars Tony Leing and Tang Wai. It's rough, really intense, deeply emotional and extremely erotic." ***Do you ever watch straight-up out and out porn?*** "Of course." ***Your skills may come in handy. What bit of your body do you most like showing on film?*** "Everything. Especially that I am a petite hourglass." ***Great to look at – and cook the perfect boiled egg. Is posing nude a new thing for your hourglass figure?*** "I've done an art nude shoot before." ***We look forward to the sequel to that.***

JESS // 18

COOGEE, NSW

The ONLY COMPLAINT this 18-year-old Pommy pants-stretcher has about Ozland is that it's hard to find a bit of privacy to get her root on. "It's always so packed in the hostels. I've been trying to get used to doing it in the showers, but it's so hard. I guess my best one happened in one of those lakes at Fraser Island about a month ago," sighed Jess. ***Careful, Jess. You could have disrupted a fragile ecosystem.*** "I was more worried about the horrible spiders on the sand. They were as big as my hand." ***Yeah, you probably didn't see them on*** **Neighbours** ***back home.*** "No, but it feels like I'm living on the show now! I love all the accents." ***Then you should stay out here until you get one YASELF. What's a beverage that you'll never drink again?*** "Vodka."

RANDY MANDY // 32

GOLD COAST, QLD

It's not just a COINCIDENCE that Randy Mandy, 32, is wearing a sex kitten belt in this pic. "I'm horny as hell," she squelched. "I'm constantly being chased by younger boys 'cos I'm a stripper." ***And what happens if they catch you?*** "I fuck their brains out. But I don't keep them around, I just fuck 'em, then fuck 'em off. I do a lot of buck's parties and they usually want me to root their whole group of guys, but I just pick the hot ones and screw them." ***Sounds like the start to a good PORNO.*** "Actually, I'm thinking of doing porn soon. I'm really good at shagging and I reckon a lot of people would like to see that. I'm not into girls at all… I just like young guys." ***You and Wacko Jacko had a lot in common, Mandy. What's the oddest thing you've ever rooted yourself with?*** "I don't masturbate."

"I love making cocktails"

REI JADE // 23

MELBOURNE, VIC

"I am a barista and bartender and yes I love making coffee and cocktails," says impressively sculpted 23-year-old Rei Jade. ***We don't see many coffee beans and cocktail shakers in these pics – just a nude spunk – and we've looked pretty long and hard.*** "I am a part-time model, too." ***That makes more sense. Is this your first nude shoot?*** No, I have been doing art nude modelling for almost three years." ***Maybe we shouldn't have skipped art at school – then we'd get a weekly look at someone like you. What are your best bits on show?*** "My waist and my clavicle." ***Yeah, the world is divided into tits, bum and clavicle guys. Glad the latter are getting some love. What turns you and your clavicle on in bed?*** "Cuddling." ***We'll have to look that one up. Where is the most unusual place you've indulged in that particular kink?*** "In a little cabin near the beach."

KATIE // 21

ADELAIDE, SA

Do you want to put your foot through Jamie Oliver's fucken FACE? Well, so does this 21-year-old chef, who reckons she's a much better cook. "I should have my own show," she protested. "He's got no talent, and neither do those *MasterChef* clowns." ***Maybe you could cook in the nude.*** "Yeah, I'd be up for that. I reckon the show would get heaps of ratings, too. I could call it *The REAL Naked Chef*." ***Your CHEST PUDDINGS are looking about ready!*** "Yes, I think if I oiled them up and rubbed them all over the heads of the *MasterChef* judges, they'd definitely let me win the show." ***We reckon they'd probably forget their names, too. What's the biggest thing you've had up your smoo?*** "A police baton." ***We're gunna need more info, Katie!***

PAIGE // 24

REDLAND, QLD

Restaurant manager and occasional model Paige, 24, likes to "keep busy". ***Glad you found time to post us your pics.*** "I have always loved THE PICTURE, so why not have a bit of fun and get to be in such an awesome magazine?" ***We may use you in our next ad campaign. If we could afford one.*** "I love the humour in the magazine and looking at gorgeous girls is always a bonus." ***You don't mind acting on an urge if confronted by a nude spunk?*** "I cannot deny I love my girls. And of course, there is nothing sexier then a gorgeous girl in lingerie. Who wouldn't act on the urge if given the chance? ***You like to use toys when going girl-girl?*** "You are putting me on the spot a bit there. I guess it depends on where we are. If there is anything available, I will. If there isn't, I can always use my tongue."

KATIE // 22

POMGOLIA

Katie loves being bent over in public, but her homeland is too fucken cold and full Poms for her to do it over there. But she wasn't gunna let THAT SHIT stop her. "I came to Australia to have sex outdoors and that's exactly what I've been up to," cheered the 22-year-old backpacker. "It's all been with Aussies, too – you guys treat women better, are more handsome and are much better in bed than the lads back home. I don't ever want to leave Australia." ***Here's an idea: why don't you marry a PICTURE staffer?*** "I don't think so." ***BLAST! Would you root Aussie EMBARRASSMENT Peter Andre?*** "No, he's just too sleazy for me." ***Jeez, you're picky. Where do you meet blokes, then?*** "At the pub or at parties – I love being a single girl. I certainly have no problem finding guys to have sex with on the beach or under a waterfall." ***Doesn't surprise us at all. What's your specialty in the bedroom… erm, sorry, wherever the fuck you're having sex?*** "Light bondage and riding around on top of the guy. Men always like it when I do all the work. Trust me, I'm a great shag." ***Care to prove it?***

BELLA // 20

BRISBANE, QLD

Twenty-year-old Bella likes to stroll among the trees and animals on nature walks. Then have a root. ***You're a fan of outdoor fucking?*** "Yep, I do it wherever I am at the time that I want it." ***We'll keep an eye on you when you're crossing the road, then. Where's the most unusual spot you've had a bonk?*** "Probably on a nature walk in the bush." ***When you aren't giving the bandicoots a thrill, what's your favourite position?*** "On top – I like being in control." ***Do you ever go all submissive?*** "Sometimes." ***Had any threesomes?*** "Not yet. I'm waiting for another willing girl." ***What should she be like?*** "Brunette, curvy and ready to do what she's told."

KRISTY // 24

PERTH, WA

If you reckon all the chicks on the internet are actually OLD BLOKES with HAIRY PALMS, Kristy's gunna turn your world upside down: "I'm always picking up guys online for some kinky fun," the 24-year-old admitted. "There are a lot of weirdos out there, but I've hooked up with lots of hot guys lately." ***What sorta dudes EXPAND YOUR BANDWIDTH?*** "I'm into sporty guys with sixpacks, so nerds need not apply."

How do you like to have an ETHERNET CABLE plugged into your EXPANSION SOCKET? "I like being on top so I can control things, but it's also great to get fucked hard from behind. I'm a pretty creative girl and if I want to do something, I just do it – no matter how twisted it is." ***We're off to UPLOAD OUR DATA into a footy sock. What was the first sex position you ever tried?*** "Me on top." ***Not a bad way to start.***

KIARA // 23

SYDNEY, NSW

If anyone tells you Australia's education system is in DEEP SHIT, tell them to SHUT UP. Kiara, 23, is a schoolteacher, so the future of our country is in GOOD HANDS. ***What do you like getting up to after the bell goes every afternoon?*** "Sleeping, partying and eating." ***How much sleep?*** "Only five to eight hours a night." ***That leaves a lot of time for going out and getting OFF YOUR HEAD. Where do you like doing that? Pubs? Clubs? CEMETERIES?*** "I'm a club girl more than anything else. I like dancing a lot." ***And drinking? Do you like that a lot, too?*** "Alcohol's always involved, yeah." ***You single at the moment?*** "That's a complicated question. I go for nice boys, not mean boys – the kind of boys who put a bit of time into their appearance." ***Rules us out. What about girls?*** "I've been there, done that. I've experimented before and I'd experiment again, but that was ages ago." ***Got a favourite sex possie?*** "Doggy style." ***And a favourite sex fantasy you wanna try?*** "Having sex in the park." ***Nice. We recommend fucking on the swing set.***

TILLY // 25

GOLD COAST, QLD

Halloween. What a shit way to end October. The streets are full of sugared-up little turds rudely demanding lollies or else threatening they'll come back at 3am and rock your roof and cover your car in bum fodder. Then again, if 25-year-old Tilly repeats this year's performance, maybe next year we won't be so hard on the Seppo-inflicted 'holiday'. "I dressed up as a sexy housewife for Halloween and was looking naughty. I was in a tight dress, with an apron and a push-up bra." ***We hope this descended into an orgy next to pumpkins with faces cut out of them.*** "I wanted to go to a sex party, but this was just a Halloween party." ***What turns you on about the idea of going to a sex party, instead?*** "Having a naked fight in jelly." ***That will certainly be a treat for the older kiddies next Halloween. They'll be bobbing for more than apples.***

MARJO // 23

WHITSUNDAYS, QLD

French 23-year-old Marjo's cousin was in THE PICTURE a week or two back, and now it's her turn to show us her chassis. "I always wanted to pose nude at least once." ***We're glad to be the ones you posed for.*** "It's a good experience, and it's a perfect solution for making money." ***And you don't need to go to 40 job interviews a month, either. Tell us Marjo, what is the funniest thing that has happened to you while having sex?*** "One night, I came home from work and found my ex boyfriend had set me up a romantic evening with cocktails, great food, flower petals and candles everywhere. We went into the bedroom and there were more rose petals and candles around the bed, and we began getting into it. Suddenly I felt there was a lot of light and heat in the room. I opened my eyes and the bedclothes had started to catch fire. We stopped having sex, but it was great fun in the end." ***Talk about having a spark!***

MISCHA // 24

BRISBANE, QLD

You're waaay hotter than our mechanic, Mischa! "Thanks! I love tinkering around with cars and bikes and I've been this way since I was about 15. I guess I'm a bit of a tomboy – girls and the stuff they're into just don't interest me." ***What are you working on now?*** "Old cars and bikes. New vehicles just don't have the same kind of character. I don't even like going to the Formula One races that much. And riding bikes is better than watching them. In fact, riding them is almost better than sex." ***Is somebody grinding your gears at the moment?*** "Things are pretty stagnant with me. I go for bad boys with lots of tatts and shaved heads – nice guys finish last with me. Oh, and they've gotta be able to drink like a man. If they can't do that, then I won't hang out with them." ***Inked-up, bald alcoholics, here's your chance!***

NINA // 23

MELBOURNE, VIC

You'd think after giving the world cheap cars, sushi, and porn involving tentacles, Japan would be happy to sit back on its laurels in a comfy kimono. But no, they've gone and sent us spunky traveller Nina, 23. "I like being naked, because it gives you confidence when you can see how people like and appreciate you. And that makes you feel sexy. I like my hips. I get a lot of compliments on them." ***How do Aussie blokes compare to the fellas back in the land of the rising sun?*** "Japanese men are a bit shyer, I think. It can be cute when guys are shy once in a while, but not all the time. It can be annoying when people are always shy. That means girls have to make a move all the time." ***Do you ever make a guy's day and make the first move?*** "Sometimes."

LOBO // 19

BRISBANE, QLD

Some women like to be wined and dined for half the night, showered with compliments and then taken back to an expensive hotel room – but not lucious 19-year-old Lobo here. "I'd rather have a quickie out in the open somewhere," she blurted. "I wanna go with the moment and get it done. I don't wanna have to make boring conversation with him." ***Have you ever been rooted on a pool table in a pub?*** "As a matter of fact, I have. And I've done it over the bar and in the toilets, too. You could say I'm a nympho, I guess. I just like having lots of sex." ***When was the last time someone threw a fuck into you?*** "Last night. I picked up a cute Brazilian guy. He spanked my arse and I came home very happy in the morning." ***Were you being a BAD GIRL or something?*** "I'm always naughty and I love being spanked and having my hair pulled. Tonight we'll be having loads more sex and smoking a bag of weed." ***We'll let you get to it, then.*** "Yeah, I can't wait."

MINX // 27

MELBOURNE, VIC

If you like getting smacked, slapped and WHACKED, then Minx is the girl for you! "I perform private bondage shows at buck's nights and sports presentations, and things always get pretty hardcore," the 27-year-old snarled. "Most guys are real cocky and tell me to whip them as hard as I can, but when I do they usually shit themselves and run home with a red arse." ***Have you won any awards for your work?*** "I was named Miss Nude Victoria last year. I wasn't able to make it to the Miss Nude Australia championships, but I made up for it by being named Miss Nude Melbourne this year – and I'm going to Adelaide for the national titles soon." ***What did you do to win?*** "I put on a classical, Marilyn Monroe-inspired performance that had the blokes in the crowd drooling. I won't tell you what to expect once I get to Adelaide, but it will be amazing." ***Are you into the bondage scene outside of work hours?*** "Totally. I've even been to a few fetish parties, but they can be too weird even for me! There were people dressed up as horses and foxes and stuff, which was strange." ***At least no-one was dressed up like KEVIN RUDD. Would you fuck Gillard?*** "Definitely not! Yuck!"

"I've done a girl girl video shoot"

MELODY // 21

MELBOURNE, VIC

Redheads have had a huge influence on history. Muhammad Ali, Don Bradman, Warwick Capper; none of them were blueys. But we're sure at least one of them has done something constructive. Maybe 21-year-old red hot ranga, Melody. ***Do redheads have more fun?*** "Definitely – and in my experience, they're more than fiery." ***Does the other bit of red hair get shown to the world?*** "The kinkiest thing I've done is have a girl-girl video shoot right near a train station." ***What a great endorsement for public transport.*** "It was a lot of fun." ***Did you attract a crowd?*** "People in their houses saw." ***You don't seem too fazed.*** "It was kind of fun, to be honest." ***You like the idea of people watching you on video?*** "I love it. It's awesome to know people get turned on by me doing it."

"She showed me how to squirt"

MEGAN // 30

BASS COAST, VIC

Thirty-year-old nurse Megan wants to raise her own temperature "and put kink in my straight life" by posing for THE PICTURE. ***You doing anything else in this quest to get your newfound kink on?*** "Just recently I have added another person in the bedroom." ***Tell us more.*** "I was at home alone not long out of shower when she arrived. I opened the door in a towel and she jumped me. I was starting without my bloke, and the way she touched me, it was too hard to wait until he arrived. Now she has moved in and he has moved out." ***She must be pretty good.*** "Well, she showed me how to squirt a fantastic shower of come in one long fit. It felt like a woman knows how to do that to me. She's one worth keeping."

LOLA // 25

SUNSHINE COAST, QLD

You're looking at history here, readers. These are the first ever nude pics of 25-year-old Pommy traveller Lola. "I saw PICTURE magazine when I first arrived and I liked looking at the sexy girls. So I thought I'd give it a go. It definitely feels a bit naughty posing. It's fun to try new and exciting things. It makes me feel young and free." ***What else makes you feel more alive?*** "I have a bit of a daredevil streak in me – I like anything that has a bit of danger to it. Anything out of the ordinary. Skydiving is one of the most 'alive' things I have done." ***Next time you will have to do it nude.*** "Love your style. Only if you go first." ***Have you got any New Year's resolutions?*** "I guess it is to do more good in the world. Volunteer more and donate to projects. And to also get this nude arse of mine off to more exotic places. Australia is my number one so far."

"It feels a bit naughty posing"

LUNA // 20

CAIRNS, QLD

Twenty-year-old Luna, who hails from Italy, but has taken her clothes off and wowed locals on stage in the US, Ireland, Spain and in front of fat, pale-skinned pubgoers in the Shittish Isles. And now it is Australia's turn to crack a collective fat as she heads Down Under to drop her undies down under… her feet. ***What do you like about travelling and nuding up?*** "I like the money I make. And so far Australia is fine." ***Where's the next place your skin will be on show?*** "America." ***Take a good, hard look, folks – her smoo will be gone soon. What's your biggest vice?*** "I think I sleep too much. More than 12 hours a day." ***The beauty sleeps are paying off!***

SIENNA // 21

PERTH, WA

Men and women aren't so different after all, as Sienna is more than happy to demonstrate. "My ultimate fantasy is to have sex with a couple of beautiful, blonde identical twins with big boobs," the 21-year-old confessed. "I saw twins in the audience while I was stripping last night and I just really, really wanted to fuck them." ***Can't really blame ya. Got any choice tonking tales for the blokes?*** "I once had sex with a guy in the lift of the hotel where we were staying. What we didn't realise was that the lift was made of glass, and heaps of people could see us going for it. We ended up getting thrown out of there immediately." ***Do you like it HARD AND FAST or SLOW AND MILLS & BOON?*** "Definitely hard and fast. I love a bit of hair-pulling, spanking and name-calling. The only thing I don't like is anal." ***Can't really blame ya AGAIN. And when you're not rooting, you're…*** "I spend most of my free time down at the local nudist beach. It's mostly dirty old men and gay guys down there, but my boobs still attract plenty of attention." ***Remember to WANK between the flags, readers.***

TIFFANY // 25

MELBOURNE, VIC

Tiff loves spending quality time in the kitchen, but it's not always cooking she's doing in there – it's quite often she's COCKING, as well. "I've had sex in this kitchen with a guy before," the 25-year-old SPUNK MUFFIN giggled. "I sat on the bench and he had to get up on his tip-toes to get it in. It's a bit of hard work but it's worth it." ***Do you like FUCKING with FOOD?*** "Oh, yes! I love having body chocolate put on my boobs and nipples and then having it licked off. I'm a XXX-rated stripper and we use a lot of whipped cream and lollies in our shows." ***Lucky bloody lollies. What else happens in those shows?*** "I love to bring my toys out. I've got double-enders and stuff to use during lesbian shows. We get in 69ers and use the toys on each other, eat each other's pussies and have fun." ***Tasty… do you like to get EATEN out?*** "Not really – I can't sit there that long, I just prefer to get right into it. And I only like to eat big, thick cocks with no hair." ***Bon appétit, babe. What couldn't you live without?*** "A good cock." ***We're sure you'll always have ample supply of them!***

"I love body-chocolate on my boobs"

ALEXANDRA // 27

PERTH, WA

Europe's loss is our gain. Not only is their economy up the shitter, but Alexandra, 27, is here, showing the participants of our buoyant economy her tits and smoo. And her awesome arse, too. Suck on that, Brussels. ***What porking position drives you wild?*** "From behind, doggy style." ***Why's that?*** "I like the feeling of the dick." ***What if it is really fucken big?*** "Take it nice and slow, then." ***We'll take that on board. How do Australian men compare with blokes back home?*** "They're friendly; real men compared to European men." ***Done much outdoor rooting since getting your passport stamped?*** "Yeah, I love it outside; in the forest, at the beach, anywhere you can get caught." ***Have you been busted?*** "No." ***The way you're going, sounds like it's only a matter of time. Should they move the AFL grand final to Cootamundra?*** "No." ***We'll take your opinion on board.***
